

## I'm From A Happy Heart

I am from dogs.

Dogs who play and run.

Dogs who beg for a walk.

I'm from dogs who protect and  
from protecting my dogs.

I'm from a happy heart.

I am from friends.

From friends who are athletic  
and who like to have fun.

I'm from friends who are funny and cool.

I'm from friends that stick  
around through thick and thin

I'm from a happy heart.

I am from sports.

I'm From learning from my mistakes,  
playing hard and being a good teammate.

I'm From helping my team score and  
doing my best. From winning and losing.

And, when I score, my heart is so full it could burst.

I'm from a happy heart.
