In order to maintain a strong academic focus in our classrooms, all electronic devices are to remain off and put away while classes are in session. Students may not use their mobile devices during class time without explicit permission from the teacher.

Parents and guardians are asked to help us with this by refraining from texting students during class hours. If you have a message that needs to be delivered during school hours, please contact the appropriate office below. Students who do not follow these cell phone guidelines will have their phone confiscated until the end of the day. HS students may access electronic devices during their lunch hour. GS and MS students may not.

## **MS / HS DAYS EXTENDED BY 7 MINUTES**

The middle school and high school days will be extended by seven minutes, running from 7:55 am - 3:47 pm. Lunch periods will remain the same. This will accommodate the Oregon Department of Education's phase-in of the State Board of Education's revised rules governing instructional time. Accordingly, bus schedules will bump out seven minutes. The grade school will dismiss as follows: Primary K-3 at 3:35 and Intermediate 4-5 at 3:40. CAPS will dismiss at 3:35.

## **BUS SAFETY & CODE of CONDUCT**

It is getting close to the start of the school year and the Transportation Department is gathering all the necessary documents for Corbett School bus riders for the 2018-19 school year. These documents will be available at registration. The first document is the application for regular riders. Please take the time to fill this out completely with the most accurate information. The next two documents apply to policy for all students at Corbett School District. Please take the time to review the policies and procedures of being a Corbett School bus rider with your students, sign and return these documents to your school's main office. Almost all Corbett students will ride the bus at some point in the year either for field trips or sports trips. They will all need to be aware of the rules and will be expected to follow them. These rules are directly from the Oregon Department of Education and from Corbett School Board policy. If you have any questions or concerns about anything related to transportation, please do not hesitate to contact the Transportation Department at (503) 261-4265 or email Todd Williams at: [twilliams@corbett.k12.or.us](mailto:twilliams@corbett.k12.or.us).

## **CEF is Seeking Volunteers and Board Members**

As another school year begins to gear up, so do the activities of the Corbett Education Foundation (CEF). Many people learn about CEF when we distribute scholarships at the annual high school graduation ceremony. Others come into contact with us when they attend our “Family Fun Bingo Night”, an annual event which raises money for scholarships awarded to graduating seniors and past graduates of Corbett High School. Though these two occasions are the highlight of our public activities, we are actually busy all year long with various administrative duties, fundraising endeavors, and planning sessions.

Do you have a flair for organization or idea sharing? We have an immediate need for CEF board members with these talents. If you do not wish to become a board member, we have a need for volunteers with similar abilities who only focus on team-oriented projects. Or....if you enjoy completing routine but important administrative tasks, we have open spots there, too. All of these functions can bring the personal satisfaction which comes from volunteering for the benefit of our youth.

Contact our office at 503-261-4252 and let us know how to get in touch with you so we can discuss how you might be able to lend a hand. As an all-volunteer group, our office isn't staffed during regular business hours, but we do have work sessions most Monday evenings from 6:00 to 8:00 pm and we retrieve messages during that time.

We sincerely hope you will consider lending us a hand in supporting Corbett graduates through our scholarship program. Since 2000, we have awarded 608 scholarships totaling \$314,200 and we want to continue to grow our support.

### **CHILD FIND**

Public schools will ensure that all students with disabilities who are eligible for kindergarten through 21 years of age, residing within their attendance area, have available to them a free and appropriate public education in the least restrictive environment. School districts must locate and identify individuals who have disabilities from birth to age 21.
