Acknowledgment Concerning Use Of Student Parking Lots

I acknowledge and understand that:

1. Students are permitted to park on school premises as a matter of privilege.
2. Corbett School District retains authority to conduct routine patrols of student parking lots and inspections of the exteriors of student automobiles on school property.
3. Corbett School District may inspect the interiors of student automobiles whenever a school authority has reasonable suspicion to believe illegal or unauthorized materials are contained inside the automobiles. Such patrols and inspections may be conducted without notice, without student consent, and without a search warrant.
4. If the student fails to provide access to the interior of his/her car upon request by a school official, that individual may be subject to school disciplinary action.

Responsibility

1. All vehicles driven to school must be registered with the school administration.
2. No student vehicle will be permitted to leave the school grounds during the hours in which school is in session without the permission of school administration.
3. Local and state traffic laws must be obeyed.
4. Students may not be in vehicles or in the parking lot during the instructional day and during lunch time except with permission.
5. All vehicles must be parked in the grade school parking lot during school hours.
6. Vehicles must have registration sticker (provided to student upon registration) affixed to car window.

Driver & Passenger:

The campus will remain closed during the instructional day (including lunch) except authorization may be granted to leave campus by permission of the principal or his designee. Those leaving campus must sign out including those leaving for MHCC.

This permission is effective for the 2018-19 school year. I understand the school authority outlined above and the responsibilities for driving.
