## CHEER ON CARDINAL VOLLEYBALL!

Come cheer on the Cardinal Volleyball teams!  
There are two games in October you won't want to miss.

PINK NIGHT is on **Wednesday, October 10th, at 6 pm**. During "Dig Pink" the players and coaches play in honor or in memory of an individual diagnosed with cancer. Homemade desserts, baskets, and other items will be part of the auction. Over the last few years, Corbett Volleyball has donated an estimated \$5,000.00 to the Side-Out Foundation that unifies the volleyball community to drive change in the way that breast cancer is treated. Come get involved and be a part of the change!

One basket will feature products from Wise Woman Herbals. These products are designed to strengthen your immune system from the onslaught of winter colds and flu, and to promote stress reduction and relaxation.

Donated by: Ann Chatterton, RN and owner of Pacific Neurofeedback

On October 18th thousands of Oregonians will “Drop, Cover, and Hold On” in The Great Oregon ShakeOut, the state’s largest earthquake drill ever. All K-12 schools and districts are encouraged to participate in the drill, and the students of the Corbett School District will participate as well.

Major earthquakes may happen anywhere you live, work, or travel. The ShakeOut is our chance to practice how to protect ourselves, and for everyone to become prepared. The goal is to prevent a major earthquake from becoming a catastrophe for you, your organization, and your community.

Due to the extreme building risk of the main campus middle school, the students and staff within that building will be instructed to exit immediately, as they do during a fire drill. The other campus buildings will follow the “Drop, Cover, and Hold On” protocol.

For more information please go to <https://www.shakeout.org/oregon/>

## **CORBETT'S SPARROW CLUB CONTINUES!**

The Corbett students, staff, and community will be entering a second year with Sparrow Clubs USA! The Sparrow Clubs program teaches life lessons in compassion and selflessness through building relationships between a Sparrow family, a school student body, and its community. Sick kids get help, healthy kids become heroes, and communities experience change.

Sparrow Clubs not only provides financial and emotional support for children and their families in medical need, but also empowers kids (elementary to college age) to help others through charitable service in their communities.

The Corbett Sparrow Club's 2018-19 Sparrow is named Novaly. She is a 13 month old who has retinoblastoma, a rare eye cancer that begins in the retina, the sensitive lining on the inside of the eye. We are told Novaly's prognosis is good. Stay tuned for event and community service information.

## Nature Space Update

by Jessica Lieuallen

Nature Space "Phase 1" is complete! Nature Space officially opened for students and the community on August 28th, 2018. Students were thrilled with the new nature-themed playspace. "My favorite part is the teepees because I can practice climbing them. Even though I am a little scared of heights, I am getting better at climbing!" said 1st-grade CAPS student, Oliver Ortega. Oliver and his sister, Evie, donated their birthday money to Nature Space this summer, in addition to helping at the rummage sale and the Nature Space work party. It was dedication like this from multiple CAPS families that allowed Nature Space to come to fruition.

Two large teepees, a rock climbing wall, a stage for imaginative play, classroom use, and performances, outdoor music equipment and many logs and rocks to play on are what you will currently see at Nature Space. Leroy Smith was super generous and donated many tons of beautiful rock for our kids to play on. A special (ginormous) thanks goes to Kevin Heberling who volunteered his building and design skills to build all of the Nature Space elements over summer break. This dedication and fearless determination soared beyond our dreams and his efforts have made for one amazing place for our kids to play.

Almost 400 cubic yards of engineered wood chips were delivered to the grounds. In order to spread all the wood chips, a team of volunteers including the Hudson's, the Ortega's, the Wright's, the Jensen's, the McCormick/Bruha's, the Steichen's, and Ms. Lieuallen's family worked an entire day in the heat to get it ready for kids on the first day of school. Also, a HUGE thank you to Claudia Becker and Steve Salisbury for their tractor skills and commitment to Nature Space. To give you perspective of this challenge, there were two huge piles that reached the top of the playshed. WOW! Joe Luna and Mike Waldo spent a Saturday morning chopping wood for our retaining

wall and the Selden's donated a beautiful Nature Space sign that tied everything together. The Lyon's and the Collin's installed the climbing holds and music equipment. This just goes to show the strength of the Corbett community!

I am beyond grateful for all the help and support to make our vision of Nature Space a reality. We still have a ways to go and are still needing around \$10,000 to complete the project. If you are interested in helping fundraise further please contact Jessica Lieuallen at [jlieuallen@corbett.k12.or.us](mailto:jlieuallen@corbett.k12.or.us).

## CEF ADDS NEW BOARD MEMBER

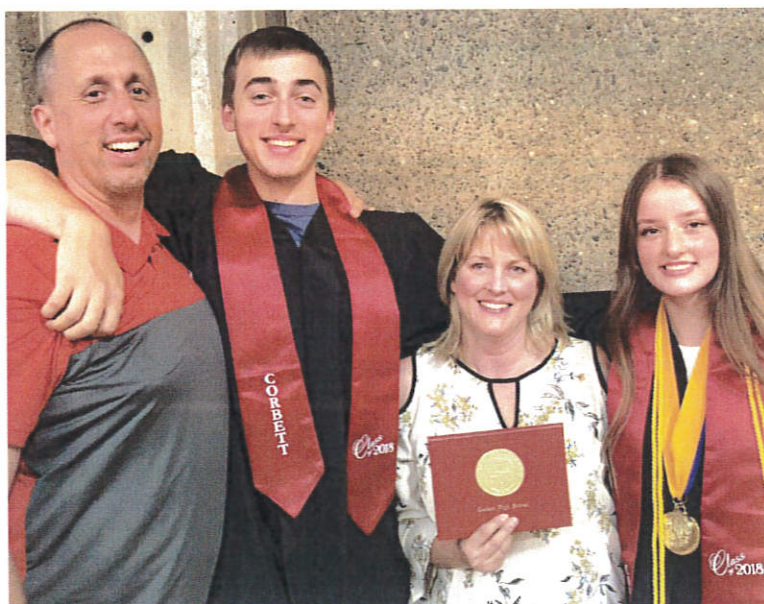

With great pride, the directors of the Corbett Education Foundation would like to introduce our newest board member, Tami Larsen. Tami began assisting CEF with fundraising efforts two years ago, but officially signed onto the board in August of this year following the graduation of her children, Skyler and Carter, this past Spring.

A familiar face in and around the school since her children transferred to Corbett in the fourth grade, Tami was active with CHAMPS last year, has assisted at school registration the last couple of years, and has often been in attendance at Corbett school and sporting events, particularly during Carter's basketball seasons and Skyler's softball participation. Always quick to lend a helping hand, Tami said she "started volunteering as a way of staying involved with my kids while they were in school". She found volunteering to be a good "way to get to know the people and kids" her twins were spending time with. "I continue to volunteer because of all the amazing kids and adults I get to spend my time with while helping out", says Tami.

When asked what she likes about Corbett, Tami replied, "I love the fact that my kids always felt safe at Corbett. Everyone knows everyone. My kids couldn't get lost in the crowd because everyone - the teachers, administrators, maintenance personnel, and bus drivers - know all the kids and there is really a feeling that they care about the kids' well being." With "family" ranking first on her list of priorities, Tami has dedicated much time and energy to supporting whatever activities her kids have been involved with. Though she enjoys traveling and sharing experiences with her husband, Derek, and her extended family, Tami has enjoyed being a "stay-at-home mom" for many years.

Tami brings a diverse range of experiences and skills to CEF having previously worked as a substitute teacher, office coordinator, and property claims representative. She is organized, creative, outgoing, and always quick to smile. The CEF board is thrilled to have Tami join our organization and we are looking forward to the many ideas and contributions she offers in helping us grow and support CHS graduates.

*Welcome aboard, Tami!*
