NOVALY COMES TO SCHOOL!

Our 2018-19 Sparrow, named Novaly, came to school last month with her parents to meet the middle school and high school students! She was even able to attend an evening volleyball game. Many thanks to Laura Queen for sharing these photos!!

Novaly is a beautiful 14-month old girl with retinoblastoma, an eye cancer that begins in the retina. In her short time she has undergone two rounds of chemotherapy.

Sparrow Clubs exists to set the stage for simple, yet heroic acts of kindness in schools and youth culture, through the concept of kids helping kids in medical need. Sparrow Clubs, USA exists to empower and motivate kids and young people of all ages to come to the aid of local children struggling with medical needs.

Last year Corbett students completed over 1,430 hours of community service and raised over \$7,200.00 for their Sparrow, Taran. Iron Eagle Trailers, Columbia Gorge Helping Hands, and Corbett community members were his sponsors. Iron Eagle Trailers is the sponsor for Novaly.

ALL youth deserve acceptance and compassion in a school environment, the need to know their lives matter, and that they have the power to impact the lives of others in a positive way. The Sparrow Clubs program provides youth, including those with disabilities, opportunities to discover their value through participation in service-learning. The ultimate goal of Sparrow Clubs is to impact youth culture by imprinting compassion, generosity, and integrity on the hearts of kids in schools. Sparrow Clubs believes that compassion can overcome anger, that generosity can overcome selfishness, and that integrity can overcome apathy. The Sparrow Clubs program compels and motivates kids of all ages to look beyond themselves for the sake of serving others in need – not only the family of a child in medical need, but others throughout our communities.

We are currently looking for community members to offer community service opportunities for students, and parent volunteers to help when fundraising or events occur.

CEF INTRODUCES STUDENT AMBASSADORS

Each year, the Corbett Education Foundation (CEF) selects a member of the current senior class to serve as a liaison between our board of directors and the graduating class members. This “Student Ambassador” assists with communication pieces between the seniors and the board, fundraisers, and other assorted tasks. This year we have selected two seniors to serve as our “Ambassadors” to better serve the needs of each group. We are pleased to introduce the 2018-2019 CEF Student Ambassadors.

Katie Newell started attending classes at Corbett as a 4th grader. After middle school classes at CAPS, Katie is now a member of Corbett High School’s Class of 2019. Active in the Leadership Club for the third year, Katie is also co-editor of this year’s yearbook and is a member of the softball team. During the past three summers, Katie has volunteered at Trout Creek Bible Camp, which she describes as “one of my favorite places”. Some of her best loved activities include “hanging out with friends, being outside, and playing with my dog”. Katie’s future plans are to attend Oregon State University and she is “looking forward to being one of this year’s CEF ambassadors”.

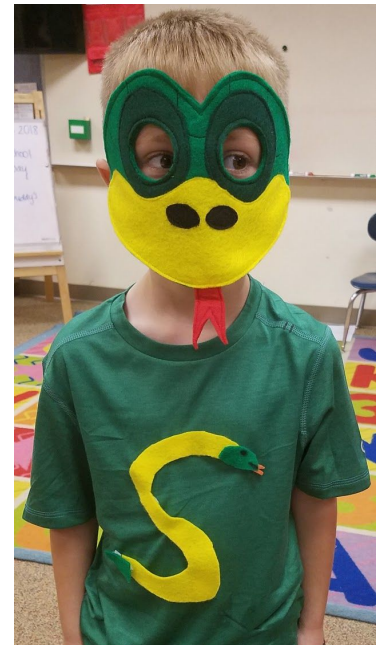

Our other Student Ambassador for the 2018-2019 school year is Bella Dentler. Bella describes herself as “a dedicated student athlete, playing volleyball (10 years) and tennis (3 years)”. With volleyball wrapping up for this year, she has been “having a good time playing my favorite sport with my best friends”. A Corbett student for seven years, Bella’s high school activities include Leadership Club and Hiking Club. She is also an Outdoor School counselor who enjoys “teaching kids about soil and bonding with my cabin residents”. In the summer, Bella works at “Purple Camp”, a national organization that provides military kids a week of camp experience with other children who are also learning how to deal with changes that

occur in their lives due to the deployment and/or injuries that exist as part of a loved one’s military service. With plans to attend Washington State University where she will major in marketing and double-minor in psychology and design, Bella is enjoying “making my senior year as memorable as possible”.

PRIMARY CLASSES CELEBRATE LETTERLAND

On October 25th, the kindergarten and first grade students enjoyed "Letterland Dress-Up Day." This was our 2nd annual celebration of the characters who teach us about phonics and reading. The Letterland curriculum teaches the letters through characters who make distinctive sounds and sometimes combine together to make other sounds.

Children were invited to dress up as their favorite character. Some chose the sneaky Red Robot; the regal Lucy LampLight; or the chatty Talking Tess. Even the teachers got into the fun, donning costumes of Golden Girl, Peter Puppy, Annie Apple, Zigzag Zebra, and Clever Cat. Everyone had a lot of fun learning while playing.

SAVE the DATE for PERFORMANCES...

Frog and Toad is a slice of life comedy that follows the abiding friendship of a frog and a toad, surrounded by their fellow friends in the woods, through the seasons. It is done in the style of vaudeville and is set to jazzy music that is reminiscent of the 1920s. This is a great show for kids and adults, presented by CPAC - Corbett Performing Arts Club!

SKID Presentation

Stop Kids Impaired Driving

SKID is a traffic safety education program coordinated by SKID staff and local first responders. The program is designed to educate young people about the tragic consequences of impaired and distracted driving. It utilizes a multi-agency, community effort that relies on strong partnerships with local high schools, police, fire, air ambulance, and other emergency services.

Last month the Corbett High School juniors and seniors were given a SKID presentation with a very stark reenactment of what happens when teens drive while impaired and distracted. The presentation was introduced by Tessi Adams, Oregon's 2017 Volunteer Fire Fighter of the Year and a CSD substitute bus driver. It took place outside, off the back sports fields. The program scenario began with recordings from actual Corbett High School grads, followed by current student actors portraying them. The dialog included a group of friends at a party, their decision to leave, and the choice of who was going to drive. Unfortunately, the driver was impaired.

Two tarps were then pulled away to reveal two crashed cars with actors portraying injured passengers – one fatally. Multnomah County deputies then pulled up to the field, joined shortly by members of the Corbett Fire District #14 along with one of their fire trucks and an emergency vehicle, the Life Flight helicopter arrived, and eventually a hearse. At the conclusion of the presentation the Multnomah County coroner spoke to the students.

Hopefully the SKID presentation helped to impress upon the students the importance of their decisions, and the potential terrible consequences of bad decisions. To learn more about SKID, please visit <https://skidprogram.org>.

CORBETT HIGH SCHOOL ROBOTICS

Corbett High School Robotics is back at it again this year! This time around, the robotics team is officially a high school class. This allows for greater participation and greater diversity of membership. Many students who otherwise cannot participate outside of school hours now have the opportunity to be apart of everything this program has to offer.

We are participating in this year's FIRST Robotics Competition which is themed "Destination: Deep Space." You can learn more about this year's competition here: <https://info.firstinspires.org/destination-deep-space>

We still need your support! Our team could not function without community support. We need all sorts of help: mentoring, cash donations, sponsorships, etc. If you would like express your support in any of these areas, please fill out this form: <https://goo.gl/SfMo2R>. Otherwise feel free to contact us: robotics@corbett.k12.or.us.

INFORMATION for PARENTS:

McKinney-Vento Act: Homeless Education Program

If your family lives in any of the following situations:

- In a shelter
- In a motel or campground due to the lack of an alternative adequate accommodation
- In a car, park, abandoned building, or bus or train station
- Doubled up with other people due to loss of housing or economic hardship

Your school-age children may qualify for certain rights and protections under the federal McKinney-Vento Act.

Your eligible children have the right to:

- ❖ Receive a free, appropriate public education.
 - ❖ Enroll in school immediately, even if lacking documents normally required for enrollment.
 - ❖ Enroll in school and attend classes while the school gathers needed documents.
 - ❖ Enroll in the local school; or continue attending their school of origin (the school they attended when permanently housed or the school in which they were last enrolled), if that is your preference.
 - If the school district believes that the school you select is not in the best interest of your children, then the district must provide you with a written explanation of its position and inform you of your right to appeal its decision.
 - ❖ Receive transportation to and from the school of origin, if you request this.
 - ❖ Receive educational services comparable to those provided to other students, according to your children's needs.
-

If you need further assistance with your children's educational needs, contact Corbett School District's Local Liaison, Marleen Carroll by email mcarroll@corbett.k12.or.us, by phone 503-261-4279 or Director of Student Services, Jeanne Swift by email jswift@corbett.k12.or.us.

If you believe your children may be eligible, contact the local liaison to find out what services and supports may be available. There also may be supports available for your preschool-age children.
