HELP SPONSOR THE HIGH SCHOOL EQUESTRIAN TEAM

The Corbett Oregon High School Equestrian Team (OHSET) would love to partner with local business sponsors! OHSET athletes are entirely responsible for their entry fees, meet fees, and weekly arena fees as well as the care and upkeep of their horses.

Sponsorships would go to help pay for these fees, team banners, and team equipment like a team saddle rack for their team tack stall at each meet. If you own a business and are interested in sponsoring our OHSET team, please contact the OHSET coach April Eaton at 503-780-9612. Our team would be delighted to offer your business an opportunity to advertise on a banner at each of our meets and advertising on our social media site in exchange for sponsorship.

We'd like to thank the sponsors who have joined us already!

\$500 = Indepak (Jan & Dave Aho)

\$250 = Eaton Construction (April & Eric Eaton)

\$250 = Traditional Plaster Co. (Josh Baeckel)

Come and cheer the team on at the OHSET meets, March 1st-3rd, at the Oregon Equestrian Center in West Linn. The meets begin at 8 am each day.

Thank you!

MARK WILSON HAS RETIRED

(Photo courtesy of Michelle Smith / Corbett Connector)

After 23 years with the Corbett School District (there was a 5 year move to Hawaii, but he came back!), our much beloved Mark Wilson retired at the end of January. We will miss him terribly, and wish him well as he and his wife, Patti, move to the coast. An avid fisherman, his days will now be filled with the ocean, fresh air, and hopefully lots of fish!

Mark worked for many years in the maintenance department of the school district, fixing every nook and cranny of the buildings. For the past several years he has been the supervisor of the custodians, maintenance, and grounds keeper. Words can't begin to describe the dedication, kindness, and humor Mark has brought to this district. His talents also extend to playing bass guitar in a rock band, joyfully playing for us at end-of-school cookouts. He and his wife even raise and show award winning Saint Bernards. A true renaissance man!

Working side by side with Mark for the past five years has been Steve Salisbury. Steve has taken over Mark's position as the supervisor of the custodians, maintenance, and grounds keeper. He is now as familiar as Mark was with the cranky MS boiler! As the baton is passed we look to the future, but so very, very fondly remember our time with Mark. We wish him all the best!

CIVIL WAR REENACTORS COMING to the CORBETT MIDDLE SCHOOL!

The Northwest Civil War Council reenactors will be coming to the Corbett Middle School this month to help bring history to life for our students! Period uniforms will be worn, rifled muskets will be fired, and the north and south will be represented. Many thanks to the middle school teachers for pulling this together!!

AN UPDATE on OUR SPARROW, NOVA!

from the Leadership Team

Recently, Nova had to undergo a surgery to remove the eye that was affected by her cancer. Since the procedure, Nova has been recovering and has had even higher spirits than before. She has had absolutely no stumbling or problems since the removal, indicating that there was most likely no eyesight in the eye at all. Nova is happy and ready to attend some Corbett events!

UPCOMING BLOOD DRIVE

with Bloodworks Northwest

Wednesday, February 20th

7:30 am - 1:30 pm in the Grade School Gym

The public is welcome to join in!

For each community member who donates blood, the High School Leadership students will donate \$10 to our Corbett Sparrow, Novaly. So, when you check in just say, "I'm from the community and I'm here to support Novaly!"

PTA MEETINGS

Please join us at our next regular monthly meeting on Thursday, February 7th, from 6:30 – 7:30 pm in the grade school Long House room.

Mark these dates on your calendar for future meetings:

March 14th, April 11th, and May 9th from 6:30-7:30 pm, location to be announced.

CLASS of 2019 GRADUATION

Save the Date... **Sunday, May 26th,**

The doors open at 4 pm, ceremony begins at 5 pm.

STUDENT SAFETY REMINDER!

In January there were three reported incidents of Corbett resident drivers passing school buses while they were stopped and picking up students along their local school bus routes. The buses had their red flashing lights on and the Stop Sign arm extended. These are clear and established signals that drivers are to stop and wait for the bus.

Fortunately, license plate numbers were taken and the registered owners contacted by School Safety Officer Cortada.

According to a survey by the National Association of State Directors of Pupil Transportation Services, participating bus drivers across Oregon counted more than 1,600 stop arm violations in a single day in 2017. Many remember the 2018 news story of the 9-year-old girl and her twin 6-year-old brothers who were struck and killed by a pickup truck as they crossed a northern Indiana road to board a school bus. A fourth child was critically injured and airlifted to a hospital.

This is a reminder that we all need to do our part to keep students safe.

FLU SEASON INFORMATION

Can my child go to school if he or she is sick?

Your child should stay home and rest to avoid giving the flu to others.

When can my child go back to school after having the flu?

Keep your child home from school at least 24 hours after their fever is gone using no medication. A fever is defined as 100°.

A good prevention - Don't forget to wash your hands!

Corbett School District is using SafeSchools.com to offer Sexual Conduct training courses online for parents' convenience. Please contact Robin Lindeen-Blakeley at 503-261-4211 or rlindeen@corbett.k12.or.us if you would like to have your email address added in order to take the training.

Thanks for making Corbett School District a safer place for your student to learn.

EMERGENCY HOMELESS RESOURCES

If you have a student/family or even know a community member in need of a warm place to stay, in need of food, or other resources during the winter months, please visit:
www.211info.org/warmingcenters/ or call 2-1-1 to find out what is available in your area.

FROM MATH TEACHER to MOM to ARIZONA!

(Photo courtesy of Michelle Smith / Corbett Connector)

We wish all the best to high school math teacher, Mrs. Amanda Dudley. Last June she and her husband became the proud parents of a new baby boy. We wish them all much joy and happiness with family life as they make their move to Arizona!

Starting at the high school in 2012, Mrs. Dudley taught Algebra I, Algebra II, and AP Statistics. A terrific volleyball player herself, she coached middle school volleyball, and JV Volleyball at the high school. She also graced the start of many games with her lovely singing voice by singing the national anthem.

Many, many thanks for all of your hard work and contributions to the students of Corbett!

EMERGENCY CLOSURES

When it is determined that weather or other conditions may affect normal school operation, beginning at approximately 5:30 am, telephone calls will be made and emails sent. Radio announcements will begin at about 6 am and be updated every half hour.

Notification of an emergency which could lead to a closure must be directed to the superintendent. He will then decide if the emergency procedure is warranted and should be initiated.

After receiving reports from various sources, the superintendent will make one of the following decisions: continue with a normal school day; impose a two-hour delay (HS would start at 3rd period of a normal day, and run on regular schedule from 3rd period on); exercise a complete school closure throughout the district; or, impose a closure involving specific buildings.

<http://www.FlashAlert.net> is a website where parents or patrons can self-register to receive our information directly as emails or cell phone text messages. There is no cost to recipients for this service. It has a test function when recipients register to confirm that the messages will get past their spam filters, and an annual opt-in renewal process to keep the database current.

To sign up for Flash Alert go to the Corbett School District website: <http://www.corbett.k12.or.us> Scroll down to the bottom of the page to *Useful Links*. “NEWSIES!” THE MUSICAL Comes to Corbett!

The Corbett Performing Arts Club (CPAC) will be presenting the Disney production of “Newsies!”. The musical is based on the famous Newsboy Strike of 1899 in New York City. After newspaper owner Joseph Pulitzer raises prices at the newsboys' expense, the newsies, led by scrappy Jack Kelly, fight back. With some help from their New York City friends, the newsboys draw the attention of the world, and improve working conditions for the newsies and all the “little guys” just trying to get by.

“Newsies!” will be presented at the main campus multi-purpose building for **evening performances** on:

- Friday, March 1st
- Saturday, March 2nd
- Friday, March 8th
- Saturday, March 9th
- **Matinee shows** on Saturday March 2nd , Sunday 3rd , and Friday 8th

Save the date for some fabulous family entertainment!

This in one show you don't want to miss!

Newsies is presented through special arrangement with Music Theatre International (MTI). All authorized performance materials are also supplied by MTI.

SCHOOL EXCLUSION RECOMMENDATIONS FOR COMMUNICABLE DISEASES

Diagnosis by Medical Provider	Attendance Guidelines	Special Precautions
Abscesses, Boils, Staph Skin Infections	Keep out of school – if open draining wounds	May attend if affected areas can be kept completely covered with a bandage. No contact sports until lesions are healed. No food service duties while lesions present.
Chicken Pox (Varicella)	Keep out of school – until all skin lesions are crusted or resolved, and no new lesions are developing	Notify exposed pregnant or immune-compromised individuals to contact their provider with questions or concerns
Cough – severe or lasting over 2 weeks	Keep out of school – until assessed for possible pertussis by provider	Student may return when symptom-free or with consent to return from provider to school nurse
Fever	Keep out of school if fever $\geq 100.5^{\circ}\text{F}$	OK to return after 24hrs fever-free without the use of fever-reducing medication
Fifth Disease	OK to attend	Notify exposed pregnant or immune-compromised individuals to contact their provider with questions or concerns
Hand Foot & Mouth	OK to attend if no open, draining lesions, or drooling	Encourage excellent hand hygiene
Head Lice	OK to attend but parent should be notified and given instructions on how to remove lice and nits before returning student to school	Encourage continuing parent head checks for lice; educate student to avoid head to head contact with others
Impetigo	Keep Out of School until 24 hours of antibiotic treatment are completed	May attend if affected areas can be kept completely covered with a bandage. No contact sports until lesions are healed. No food service duties while lesions present.
Meningitis, suspected or proven (stiff neck or headache with fever)	Keep out of school if bacterial , until at least 24 hours of antibiotic treatment. If viral, ok to attend school. Notify nurse consultant if bacterial.	Viral meningitis is rarely spread in schools. If bacterial, nurse consultant will assist school to notify students/staff of potential exposure.
MRSA	Ok to attend if affected skin areas can be completely covered during the school day	No contact sports until lesions healed. No food service duties while lesions present.
Pinworm	Keep out of school for pre-school only	May return the day after first treatment. Encourage excellent hand hygiene.
Pink Eye (conjunctivitis)	Ok to attend - Almost all pink eye is viral conjunctivitis, which is self-limited and does NOT require antibiotic eye drops or ointment	Encourage excellent hand hygiene, keep hands away from face, and no sharing of personal items
Rash due to reportable condition (e.g., measles, rubella)	Follow Oregon Public Health Investigative Guidelines, unless instructed otherwise by Health Officer. Notify nurse consultant.	Nurse consultant will work with school to notify students/staff of potential exposure
Rash with or without fever – new/sudden onset	Keep out of school until rash resolves or student sees their provider in person for diagnosis and clearance to return	Once cleared, any open/affected areas of skin should be covered during school day
Ringworm	OK to attend if affected skin areas can be completely covered during school day	No contact sports until lesions are healed or no longer draining
Scabies	Keep Out of School – until treated	Student may need 2nd treatment.
Shingles	Keep Out of School – until all skin lesions are crusted or resolved. May attend if affected areas can be kept completely covered during the school day.	No contact sports until lesions healed. No food service duties while lesions present.
Strep Pharyngitis	Keep Out of School – until 24 hours of antibiotic treatment are completed and fever resolved	No food service while ill
Tuberculosis (TB)	OK to attend – a positive TB skin test alone does not mean individual is infectious. Notify nurse consultant.	Nurse consultant will work with public health dept. and school admin. regarding any individuals with contagious TB

Students should not attend school if they have complaints that prevent them from active participation in usual school activities, or if they require more care and monitoring than the school can safely provide, per ODE Guidelines for Exclusion (as described in OAR 581-022-0705).
