### **MANY THANKS to the NW CIVIL WAR COUNCIL REENACTORS!**

The Civil War was made a little more real for our middle school students when two Civil War reenactors gave a presentation last month. Dressed in period uniforms and bringing antique rifles, the reenactors engaged in a discussion rich in historic facts and anecdotes. They followed that with an outdoor demonstration where they fired the rifles, explaining in detail what was involved on the battlefield, using the Battle of Gettysburg as a main example.
