Title IA

- ❖ Corbett School is a Title IA school. We receive federal funds for Title IA according to a formula determined by the US Department of Education and the Oregon Department of Education.
- ❖ The purpose of Title I is to provide academic support to students.
- ❖ As parents you have a right to be involved in the Title I program.
- ❖ We will have a compact available at conferences outlining how we can work together to support your student academically.

Five Initiatives

1. **Academic Equity:** Develop a foundation of high expectations striving toward continual growth that equitably meets the diverse social and academic achievement needs of all learners.
2. **Social/Emotional Learning:** Meet students' mental and behavioral health needs.
3. **Math Program Review:** Design a math program that is engaging, challenging and fully articulated K-12.
4. **Academic Engagement:** Ensure students have a love of learning, a desire to succeed and are genuinely engaged with their school and education.
5. **Diversity & Culturally Responsive Teaching:** Support diversity and culturally responsive practices to increase the sense of safety and acceptance for all students and to promote empathy.

Student Investment Account

What is the Purpose of the Student Investment Account?

1. Meet students' mental and behavioral health needs.
2. Increase academic achievement and reduce academic disparities for:
 - Students of color;
 - Students with disabilities;
 - Emerging bilingual students; and
 - Students navigating poverty, homelessness, and foster care; and other students who have historically experienced disparities in our schools.

How can we spend new money?

4 Categories for the Student Investment Account

As part of accepting the Student Investment Account money for our district, we must determine our local needs and priorities and develop a plan to spend the new resources in any or all of the four categories.

5 Areas for Input

1

Reducing academic disparities

2

Meeting students' mental and behavioral health needs

3

Providing access to academic courses

4

Allowing teachers and staff to have sufficient time to:
Collaborate, review data and develop effective strategies

5

Establishing and strengthening partnerships
