## COMMUNITY SERVICE for MIA!

For the month of January, the Corbett Leadership Team collected donations for the Multnomah County Animal Shelter. At the closing of the donation, we hosted a community dog toy making event with the intention of donating the dog toys, as well. Together we made over 80 dog toys!

In the month of February, the Leadership Team looks forward to hosting an after school event in which students will paint rocks with beautiful designs and sayings. These "Love Rocks" will be donated to children at the Ronald McDonald House.

These events serve as an opportunity to earn community service hours to help our Sparrow Mia. For every community service hour worked, we earn \$10.00 for Mia!

When she was 7 ½ months old Mia was diagnosed with the meningitis B virus, a life threatening bacterial infection that attacks the brain, spinal cord, and bloodstream. The infection was so severe it caused the tissue on many parts of her body to be badly damaged. Doctors performed three separate surgeries to amputate both legs as well as multiple skin grafts on her body.

Mia is sponsored by Iron Eagle Trailers and the Columbia Gorge Helping Hands Food Bank. It is through their generous donations to Sparrow Clubs USA that students can earn that money for Mia via community service hours.

## Twenty Years of Scholarships – and Still Going!

Thanks to the generosity and support of so many, many individuals, families, businesses, and other organizations, the Corbett Education Foundation has been providing scholarships to Corbett High School graduates for twenty years. Yes, **TWENTY YEARS!** (It's incredible to think of, even for us.) In this time, 645 scholarships have been awarded totaling over \$336,000.00 to help Corbett graduates continue their education. **THANK YOU**, everyone, who has contributed to this success!

As a new calendar year begins and we start to prepare for another round of awards, we are excited by the prospects of what the next twenty years might mean for Corbett students. With your help, we are hoping to secure enough funds to provide 60 scholarships for the academic year 2020-2021. This would be the highest number of scholarships awarded in a single year, but twenty years of partnership is worth celebrating in a big way. We hope you will be able to help us in achieving this goal.

Here are some things you can do to help:

1. Add CEF to your Fred Meyer Rewards account. At no cost to you (and with no deduction to your Rewards Points), Fred Meyer will make quarterly donations to us based on the amount of purchases our supporters have made. Just designate Corbett Education Foundation online on your Rewards account.
2. Likewise, when shopping from the comfort of your home or workplace, use AmazonSmile and they will also make contributions to us based on the amount of sales recorded. There's no effect to your Prime account and it doesn't cost you anything. It's an easy way to support scholarships while completing your routine shopping tasks.
3. Participate in our restaurant fundraisers. We thank everyone who participated in our Chipotle and Panda Express events held in the past couple of months and we ask that you add **Thursday, February 20**, to your calendar as **our next fundraiser will be at Mod Pizza, at 1844 NW Eastman Parkway, Gresham, from 10:30 am to 10:00 pm.** Use the link on the attached flyer to make your reservation now: <https://groupraise.com/events/129395>. CEF will receive a contribution based on sales generated from this event. Enjoying your favorite meals while helping make scholarships available to our students is a win/win for everyone!
4. Fund a scholarship or make a donation to our general scholarship fund. Any amount of assistance will benefit a Corbett graduate. Contact us for details on how you, your family, your friends, or your workplace can contribute.

Lastly, **SAVE THE DATE!** Saturday, April 4, will be our annual Family Fun Bingo Night. We will again have food, games, and lots of prizes to share. If you've attended any of our previous Bingo Nights, you already know this is a great way for the entire family to spend an evening. If you haven't attended before, make sure you join us this year. It's a lot of fun and excitement and helps our graduates by providing scholarship dollars.

## **Division 22 Standards for Public Elementary and Secondary Schools 2018-19 Assurances: Report to the Community**

By February 1 of each year, school district superintendents are required by [OAR 581-022-2305: Operating Policies and Procedures](#) to report to their communities the district's standing with respect to all of the Standards for Public Elementary and Secondary Schools as set out in Oregon Administrative Rules Chapter 581, Division 22. Below is a summary of Corbett School District's compliance with each of the requirements of Oregon's administrative rules found in [DIVISION 22 - STANDARDS FOR PUBLIC ELEMENTARY AND SECONDARY SCHOOLS](#). For each rule reported as out of compliance, Corbett School District has provided an explanation of why the school district was out of compliance and the school district's proposed corrective action plan to come into compliance by the beginning of the 2020-21 school year. *Note: Corbett was in compliance with all.*

This information was presented to the Corbett School Board as part of the January 15th meeting. It can also be found at the school website at the following link:

**Your child's regular attendance in school encourages academic and social-emotional success. Together, families, educators, and community members can support a child's attendance and help each student stay on the path to success.**

It doesn't matter whether the absences are excused or unexcused -- each missed day represents missed learning time. Missed days add up quickly: When a student misses as few as 1.5 days a month, that's 10% of the school year. This increases the risk of academic and social-emotional struggles.

About 1 ½ absences a month = 14 days of missed school in a school year.  
That's missing almost a month of school!

January 31, 2020

Dear school community,

An outbreak of a new virus called the novel coronavirus, or 2019-nCoV, that began in Wuhan City, China, has created concern and questions recently. MESD is working closely with Multnomah County Health Department to assess any risk for local schools.

At this time, we believe the risk to the general Multnomah County population is low. The Health Department is monitoring the situation closely and has created a general information sheet about this virus. It is included with this letter.

This is a new virus, and health recommendations may change as public health experts learn more about the disease. At this time, people who have recently visited China do not need to stay at home unless they are sick. People who have visited an area with confirmed cases of the virus should watch for a fever, cough, and trouble breathing for 14 days after return. If they get sick, they should stay home and call their health care provider.

At this time there is no vaccine to prevent the new coronavirus. But this is a good reminder to everyone that it is still flu season. We want to remind people to make sure they have their flu shot, and to stay home if they are sick.

If you have questions about this new coronavirus that aren't answered by the attached FAQ, please visit the Multnomah County Health Dept website at [multco.us/health-officer/novel-coronavirus-2019](https://multco.us/health-officer/novel-coronavirus-2019). You can also call Communicable Disease Services during normal business hours at 503-988-3406, or call your school nurse.

Sincerely,

Dr. Jennifer Vines, Health Officer
