CSD UPDATE

Times certainly are different, and we'd like to give a brief update to the Corbett community on how we're doing:

- Corbett teachers were able to begin providing remote learning to students starting on April 1st, nearly two weeks ahead of the timeline provided by ODE.
- Over 260 chromebooks (laptops) have been provided to our K-12 students needing devices at home.
- Approximately 90 "grab & go" food bags are being supplied weekly to our students on free & reduced lunch, and families struggling at this time. This equals approx. 360 breakfast/lunch/snacks weekly.
- Students access their learning online using SeeSaw, Google Classroom, and Zoom as the main apps.
- Students receive their assignments online, submit homework and tests online, some attend virtual morning meetings, go on virtual field trips, receive individual music instruction, teleconference with teachers, and join teachers and classmates in Zoom meetings.
- AP tests will be administered online via the AP CollegeBoard. Guidelines and practice demos are being provided to high school students.
- A Graduation Re-Imagined committee has been surveying seniors and their parents as they work to formulate a new graduation experience.
- Challenges have included giving technical support as needed, tracking and contacting students/parents regarding absenteeism as needed, and providing specialized counselling and care as needed.
- School Board and Budget Committee meetings are being conducted via the Zoom app and are open to the community.

As a community we're all in these challenging times together, and we'd like to recognize and thank all of the parents, guardians, and caregivers who are helping to support our students at home, especially as many of you are experiencing stresses and unknown circumstances. We thank you for all you are doing, and we also thank our teachers for their work and creativity during this time!

CAPS NEWS

If you would like your child to join the CAPS program for the 2020-2021 school year, the application process is now open. The application can be found on the Corbett District website at:

<https://docs.google.com/forms/d/e/1FAIpQLSfvgVnLbavRpZulOBkeEebxJbME38Usgh3IWRPXD78F4ZIZfQ/viewform>. We are accepting all applications, but please be advised that there is limited space available in grades 3-5, and we are currently full in grades 6-8 for the coming year.

In approximately late May, seniors will be invited by appointment to return books, pay fees, and pick up their Graduation Box. The box will include some very special gifts, along with their cap and gown if purchased, and a yearbook if purchased.

The Graduation Re-Imagined committee has been working hard, surveying students and parents, and meeting virtually. They are actively looking at having an alternative experience to celebrate the hard work of our graduating seniors. We'll keep you posted as plans finalize.

Enrollment is currently open for the 2020-2021 school year. Please notify us of your interest via an *Intent to Enroll* form found at this [link](#). The form and a \$50 non-refundable registration fee can be mailed to: Corbett School District, attention Debbie Schneider, 35800 E. Historic Columbia River Hwy., Corbett, OR 97019. We love to hear from our prospective families, so please do not hesitate to contact us with questions at preschool@corbett.k12.or.us.

Due to the COVID-19 outbreak the district is conducting a virtual Kindergarten Round-Up this year. Please navigate to this [link](#) and complete the Google form if you are interested in having your child attend kindergarten in the Corbett School District for the 2020-2021 school year. This is to determine interest, and formal registration will follow.

CEF Family Fun Bingo Night Postponed, Scholarships to be Awarded in Coming Months

As we all navigate through these unprecedented times, flexibility has become a cornerstone in our lives. As such, our annual fundraising event, “Family Fun Bingo Night”, is being postponed until after school campuses reopen. We appreciate your support and understanding during this time. The board of directors of the Corbett Education Foundation wish to thank the many businesses and donors who provided prizes and/or funding for this event prior to the “shelter in place” requirements. Thankfully, these donations were provided with a lengthy timeframe in which to be utilized, so we will be able to provide the same event quality as experienced in the past. We are looking forward to the time when we can all gather again to support the graduates of Corbett High School through our scholarship program and this exciting event.

Given the closure of school campuses and the difficulty this gave students in fulfilling our application requirements, the Corbett Education Foundation moved the scholarship application deadline to May 1, 2020. All applications packets should have been mailed via the U.S. postal system and we are pleased to report a number of packets have been received. Currently, we are reviewing these requests and we are assessing just how many scholarships we will be able to provide for the academic year 2020-2021. We will continue to provide updates via our website and the school district’s newsletter as time passes.

Those students who received a scholarship for the 2019-2020 academic year and are requesting a renewal scholarship for 2020-2021 will still have a progress report due by July 15, 2020. Though the information required with the progress report may not change drastically from the application packet already submitted, it is important to keep this deadline on your calendar so that you do not forfeit a potential scholarship by missing the July 15 deadline.

Until further notice, questions should be directed to dgranberg@corbitteducationfoundation.org. Be advised, this mailbox is not monitored on a continuous basis, so it may take time to reply. Detailed procedures and forms can be found on our website at www.corbitteducationfoundation.org. Again, all documents and grades for either application packets and/or progress reports must be sent via the U.S. postal system and bear a cancellation stamp of no later than the stated deadlines. Electronic submissions are not accepted.

We thank you for your interest in the Corbett Education Foundation and our activities.

PTA DONATES for DISTANCE LEARNING!

We'd like to extend a huge thank you to the members of the Corbett PTA for making a donation to the Corbett Grade School and CAPS teachers to be used for anything needed to enhance Distance Learning. The gift of \$500 per full-time teacher and \$250 per part-time teacher is wonderful!

Many, many thanks!

A WORD from MR. BLAEUER, STRINGS TEACHER

Mr. Blaeuer would like his students to know that he misses them and is eager and excited to get back to teaching at the beginning of the upcoming school year.

In his own words, *"I am doing very well these days, and have even started running again. Also, I want to congratulate our two senior violinists, Margaux Kopperman and Hannah Hardman. You both will do great in college, and beyond! To all of my students, I am so grateful for your kindness and powerful thoughts, prayers, cards, etc. as I recovered. Have a wonderful summer and a nice finish to the school year!"*

CHAMPS

CHAMPS is the Corbett High School Association of Mamas and Papas of Seniors.

We raise funds all year long for the senior All Night Party following graduation.

Our largest fundraiser is the bottle/can drop site in Springdale. It's the shipping container directly behind Liz's Coffee Cabin in "downtown" Springdale. Put your redeemable cans/bottles in the gray container and we'll get them recycled for you.

Thanks for your help and contributions!

EMERGENCY DENTAL CLINICS

Medical Teams International

Since 1979, we've provided life-saving medical care for people in crisis. In 1989, we launched a Mobile Dental Program, providing free dental care to people in need. Our Mobile Dental vans have transitioned to providing emergency dental care – with special permission from state governors who've recognized this as an essential service during the COVID-19 outbreak. Our goal is to help relieve an overburdened healthcare system with these emergency dental services.

Highland Christian Center
7600 NE Glisan St, Portland
Open Fridays May 8th and May 22nd from 9 a.m. to 2 p.m.

For more information, go to:

211info connects people with health and social service organizations. At its heart is the core Community Information Center, supported by Resource Database team. It's expanded to include enhanced information & referral and assistance programs that target specific services. Please visit them at: <https://www.211info.org/>

PARKROSE SCHOOL BASED HEALTH CENTER is OPEN

This health center is for students age 5 - 18 who reside or attend school in Multnomah County. Prior to coming to the clinic you need to call and make an appointment at 503-988-3392 so they're able to assist you as best they can. The clinic is located on the north side of Parkrose High School (12003 NE Shaver St, Portland), next to the gymnasium entrance.

No walk-ins, you must call for an appointment: 503-988-3392.

MEDICATION REMINDER

Please contact Debra Baker by email if you need to pick up medication for your student that is in the CSD Health Room: dbaker@corbett.k12.or.us

FROM the CORBETT SD HEALTH ROOM

From our school nurse, Ms. Julie Nakamura:

I want to thank our fellow MESD school nurse, Phoenix, for putting this information together to assist our families and students:

If you think you or a family member might have COVID-19:

Most cases of COVID-19 are mild and people are able to recover at home. If you need medical help, call your primary care provider. Most providers are holding all appointments over the phone (telemedicine). They will tell you if you need to be seen in person.

If you have any emergency warning signs for COVID-19 you need to get medical help right away. Call 9-1-1 and tell them you think you might have COVID-19. Emergency warning signs include:

trouble breathing, pain or pressure in the chest, new confusion or difficulty waking up, running out of air from speaking or walking.

If you don't have a primary care provider or don't have medical insurance:

- The School Based Health Center at Parkrose High School provides medical and mental health care for any student (age 5-18) in Multnomah County. Call 503-988-3392
- Multnomah County Health Centers provides care to adults and children. Call 503-988-5558
- For information about dental care and pharmacy services call 503-988-5558

Oregon Health Plan and COVID-19:

You will not lose OHP benefits during the COVID-19 crisis, even if they are scheduled to end. If you receive an emergency payment from the Federal government, it will not count as income on your OHP eligibility.

Immigration Status and COVID-19:

United States Citizenship and Immigrant Services (USCIS) has said that all people who have symptoms of COVID-19 are encouraged to seek medical care. This medical care will not have a negative impact on any person during a future Public Charge analysis. Read the statement from USCIS [here](#). If you have questions about immigration status and medical care, call the Legal Aid/Oregon Law Center Public Benefits Hotline: 1-800-520-5292.
