

Cardinal Volleyball

2020

As we continue to contribute to the fight against COVID-19 by adhering to local, state, and national guidelines regarding social distancing and mass gatherings, we do not have summer open gyms or other group volleyball activities planned right now. As we receive updated information regarding COVID-19 restrictions, we will keep our volleyball families informed. As soon as we are cleared and are safe to resume play, we will begin holding small group trainings and open gyms.

For now, here is the information for August, so that you can get our popular camps on your calendar as well as start dates for fall teams! **These dates and/or events may need to be modified due to COVID-19 restrictions and we will keep you updated via our website as we get closer to the events.**
