OUR INCREDIBLE STAFF

COMPREHENSIVE DISTANCE LEARNING

Corbett is committed to:

- ⇒ **Creating as much consistency and predictable routine as possible, especially for the youngest learners.**
- ⇒ **Designing schedules to maximize well-rounded learning opportunities, that include physical education, music, health, art, and social emotional learning.**

DEVICES...

- New Chromebooks sometime in October
- We will be distributing those shortly thereafter
- We are encouraging students to continue using their personal computers
- Tuesday, September 1 (12 pm - 4 pm)
 - Any Corbett student, CAPS front entrance
- Thursday, September 3 (12 pm - 4 pm)
 - Any Corbett student, CGS front entrance

If you are in need of a district Chromebook and cannot make it to one of the distribution sessions, please contact the main office at (503) 261-4200 to arrange delivery.

HELPFUL HINTS FOR FAMILIES...

- Provide an area for your child for their distance learning
 - Give them a choice of where they will learn best
 - Make sure that they are free from distractions
- Establish “school” routines
 - Getting up and having breakfast before distance learning
 - Being dressed and ready to learn
 - Using breaks to go outside, get a snack, and stretch if needed
- Parents’ role in Distance Learning
 - As a parent you are a supporter and a person that celebrates their accomplishments with them, not their teacher!
 - Focus should be on the process, not necessarily the product.

EQUITY

- A focus of our district this year will be on revising our content to include an equity lens.
- Diversify our classroom libraries
- Include stories that represent different races, genders, abilities, and experiences
- Revise curriculum to include many perspectives

COMMUNICATION...

- Your teacher's email and newsletters
- Our district's website
- Our amazing PTA - corbettcardinalspta@gmail.com
 - First PTA meeting on Wednesday, September 2 at 6:30 pm

HELPFUL RESOURCES

- Instruction videos to help navigate the technology being used will be available on our district's website under the Grade School page.
