**Updated and approved at the August 20, 2025 Board Meeting	
All students enrolled in HS Elective Courses are asked to make a suggested Voluntary Supply Contribution of \$20 per class to help supplement cost of these material heavy courses.	
No student will be denied an education because of their inability to pay supplementary fees. In the case of severe hardship, families may request the school to waive in whole or in part, the fee.	
No student, however, is exempt from charges for lost or damaged books, locks, materials, supplies and equipment.	
All student fees and charges, both voluntary and required, will be listed and described annually in written form, and available to each student.
