TRANSPORTATION

A. Seniority

Seniority will be defined as specified in Article 9. Drivers' names shall be maintained on a list according to seniority order, and the list shall be posted in the drivers work area. A digital version will be made available by the District Office to the bargaining unit twice yearly (spring and fall).

B. Regular Routes and Vacant Routes

Vacant regular bus routes will be posted in the drivers' work area for three (3) workdays or as far in advance as possible. Routes will be awarded to the most senior driver applying for the route. Should the route be declined by all drivers, the transportation supervisor will assign a driver for the route. If a driver is assigned a route in this manner, the transportation supervisor will not bump the driver from the next available route.

For example, when a route becomes available, if the most senior driver accepts or declines the vacant route, that route or the next vacant route will then be available to the second senior driver, and so on, until all drivers on the list have accepted or declined a vacant route. Then subsequent vacant route offers will start at the point on the list after the last route offer was accepted.

C. Trips and Extra Assignments

- A. Emergency trips and extra trips with a departure time of less than 12 hours from acknowledgment (i.e., field trips, athletic/activity trips) will be assigned based on seniority and/or based on the initial trip sheet sign up list.
- B. When a trip is available, the most senior driver has their choice of accepting or declining the trip.
- C. If the most senior driver accepts the trip, the next trip will be available to the second senior driver, and so on, until all drivers on the list have accepted or declined a trip. Then the subsequent trip offers will start at the point on the list after the last trip was accepted. Drivers who give up their regular route for a trip assignment shall complete that trip unless cancelled. No other driver may drive the trip. Emergency trips (repair trips, driver call out, etc.) will be assigned on the basis of seniority. Each driver will have the opportunity to accept or decline an emergency trip before starting at the top of the seniority list again.
- D. If the most senior driver declines a trip, the trip is then passed to the second name (second most senior driver), and so on, through the list until a driver

accepts the trip. Should the trip be declined by all drivers, the transportation supervisor will assign a driver for the trip. If a driver is assigned a trip in this manner, the transportation supervisor will not bump the driver from the next available trip.

- E. Once an extra trip is signed for, there will be no trading.
- F. If a driver is unable to complete their trip due to unforeseen circumstances, that assignment will then be considered an emergency trip and be assigned by emergency trip as designated in C.A
- G. Drivers are encouraged to sign up on the trip sheet for any trip they are interested in driving. Signing up does not guarantee assignment to that trip. However, drivers who sign up will be placed on a list to be considered if the originally assigned driver becomes unavailable. In such cases, the trip sheet will be used to determine the next eligible driver for the trip.
- H. The trip sheet will be posted and shall remain posted for six (6) school days from the date of posting, except in emergency trips.

These dollars will be used to pay for allowable out of pocket expenses for employees who select the "Preferred District Major Medical Plan".

Employees who select the "Preferred District Major Medical Plan" shall be eligible to participate in the District sponsored HRA account HSA, FSA, or other similar account compensatory with current health reform laws provided the HSA, FSA, or other similar account accomplishes the same task as the notional HRA, at no increased cost to the district. Employees participating in the District sponsored notional HRA account or the replacement HSA, FSA, or other similar account compensatory with current health reform laws will be able to access up to the in and out of network out of pocket maximums as defined by the District Preferred Major Medical Plan for reimbursement of qualified out of pocket medical costs. Over the counter medications and supplies are specifically excluded from reimbursement.

After claims for the year are completely processed, the District and the Association shall review each eligible employee's use of the "District sponsored notional HRA or similar account". Employees who accessed less than \$1000 dollars throughout the plan year will be awarded the difference between \$1000 and their use of the "District Sponsored Notional HRA similar account" into a "portable individual VEBA similar account". Employees will not be required to access their VEBA account similar account in subsequent years before accessing the District's HRA or similar account associated with the "Preferred District Major Medical Plan".

If after allowable medical expenses and premiums are paid and the notional HRA funds similar account are "insufficient" for full payments to individual VEBA accounts or similar account, then the remaining dollars will be prorated to all eligible employees. For the purposes of this paragraph "insufficient" will be defined by the following formula:

The total dollars spent on insurance premiums, notional HRA use or similar account, and VEBA claims that exceed the number of employees participating in the "preferred district major medical plan" times the annual cap.

Corbett ACE & Corbett SD Collective Bargaining Agreement 2026-2027 This Agreement shall not be modified except by written mutual agreement between the Association and the District.

Employees who do not select the "Preferred District Major Medical Plan" will not be eligible to participate in the "District Sponsored Notional HRA" or the portable individual VEBA or similar account.

Employees who can provide evidence of dual insurance coverage may opt out of the District's health insurance program. An employee who opts out of medical insurance coverage (not vision and dental insurance) will have \$4000 dollars contributed to their portable individual VEBA or similar account.

The District and the Association will evaluate the effectiveness of the fund and the plans to assess the viability of continuing the HRA or similar account structure and plan options on or before May 1 of each calendar year. The district will provide the Association with an accounting of the costs of the PDMMP during this meeting. In the event that the Association or the District does not wish to continue with the HRA or similar account structure the parties will identify mutually agreed upon plan options under OEGB or other health care options available to school districts and the caps identified above will continue. Thereafter, the Association and the District will review the plans offered annually under OEGB or other health care options available to school districts and make mutually agreed upon changes for the following school year.

The District will also provide an Employee Assistance Plan (EAP) that will be paid for by the District.

The benefit program(s) identified herein shall be provided only in accordance with the underwriting rules and regulations as set forth by the carrier(s) in the policy (policies) retained by the policyholder. Upon joining the Statewide Insurance Pool, the guidelines of the Oregon Educator Benefits Board (OEGB) or other health care options available to school districts shall be followed.

The District will not be obligated and shall not pay for any medical and/or dental expenses not covered by the insurance carrier(s). Such expenses shall be the sole obligation of the employee(s) incurring them.

The District contribution as identified above shall become the maximum amount the District is obligated to contribute for the lifetime of this contract. If no agreement is reached on a successor agreement prior to the expiration of the Agreement, the specified District contribution shall be the maximum amount the District is required to pay until a successor agreement is signed.

In addition, the District shall provide term life and replacement income insurance free of premium cost for each member. The intent of this insurance program is to protect accumulated sick leave beyond the thirty (30)-day qualification period. Members will be provided the option of using sick leave until exhausted or freezing

sick leave at the end of thirty (30) calendar days and applying through the payroll department to the insuring company for replacement income benefits.

No district representative will have access to employee medical information.

Any changes to the current structure as referred to in this Article as “similar accounts” or any changes from the HRA, VEBA and OEBA structures will be made by mutual agreement of the parties.

B. Domestic Partners

Health insurance coverage shall extend to the spouse, domestic partners, and/or child or children residing in the same home as the member.

1. Domestic partners of a member are eligible for coverage under the district insurance plans, if they meet the legal criteria required for such partnership.

C. Workers Compensation

If a member of Corbett District is injured on the job and receives industrial accident benefits under Worker's Compensation Law (ORS 656.001 to ORS 656.990), the District shall adjust the sick leave payment an amount equal to benefits received under Worker's Compensation with respect to the same injury that gave rise to the sick leave. However, the deduction of sick leave shall not exceed an amount determined by taking the member's regular pay for the period less benefits received under ORS 656.001 to ORS 656.990 divided by the individual's daily wage.

01. The District shall provide Section 125 Plans (A and B) for use by employees.
02. The District shall provide term life and replacement income insurance for each employee working twelve (12) hours or more per week. The types of plans and amount of benefits shall be determined by the District.
03. Employees receiving replacement income benefits will continue to receive medical, and dental insurance benefits set out in Section A above for a period up to six (6) months. After six (6) months, employees may remain on the group plan at their own expense subject to approval by the carrier(s).
04. Employees on temporary or extended leave of absence without pay will not be eligible for District-paid medical and dental insurance. Employees may choose to remain on the group plan at their own expense subject to approval by the carrier(s).

Corbett ACE & Corbett SD Collective Bargaining Agreement 2026-2027 This Agreement shall not be modified except by written mutual agreement between the Association and the District.

05. New employees will begin receiving the District Fringe Benefits upon the start of the second calendar month of their employment.

06. The benefit program(s) identified herein shall be provided only in accordance with the underwriting rules and regulations as set forth by the carrier(s) in the policy (policies) retained by the policyholder. Upon notice of an impending change from the carrier, the District will notify the Association, within five (5) working days, of the substance of the proposed change.

The District will not be obligated and shall not pay for any medical and/or dental expenses not covered by the insurance carrier(s). Such expenses shall be the sole obligation of the employee(s) incurring them.

ARTICLE 20

In case of emergency, such as a mid-school year reduction, the Board will give notice as soon as practicable.

B. Reduction in Force Procedure

Reduction in force of bargaining unit employees will be based upon seniority but such reduction in force will occur by category.

For the purposes of administering this article only, the following categories shall be used:

<u>Custodial/Maintenance</u> Custodian - Class 1 Maintenance - Class 3 Groundskeeper - Class 3	<u>Cafeteria</u> Head Cook - Class 1 Food Services Assistant - Class 3

C. Recall

01. An employee who is laid off shall be eligible for recall for twenty-seven (27) consecutive months from the date of their reduction in force.

- a. waives their recall rights in writing;
- b. resigns, or
- c. fails to accept recall to the positions that are offered within the timelines of this article.

02. Whenever the District determines that a vacancy exists within a category which has experienced a reduction in force (within the last twenty seven (27) months), laid off employees from that category will be recalled in reverse order of the reduction in force. The recall notice will be sent by certified mail to the last address the District has on record for the laid off employee with a copy to the local president. The laid off employee will have ten (10) District workdays to respond to the recall notice. Failure to respond within the ten (10) days or rejection of any recall notice will cause the laid off employee to forfeit all recall rights and will be deemed to be a resignation.

03. All currently existing monetary benefits will be available to the employee upon the employee's return to active employment. Other benefits to which an employee was entitled at the time of the reduction in force, such as accumulated sick leave and seniority, will be restored to the employee upon return to active employment.

The employment relationship between the bargaining unit members and the District shall continue to the extent described in this Article during any unforeseen period of school closure. During such a school closure, the District acknowledges that the bargaining unit members are temporarily laid off, rather than dismissed or non-renewed due to budget failure during the period of any such school closure. Following a closure, the District agrees to recall members to available bargaining unit positions before hiring non-District individuals for those positions, in accordance with Section B.

ARTICLE 21

STRIKES

The Association and the members of the bargaining unit, as individuals or as a group, will not initiate, authorize, cause, engage in, or sanction any strike, work stoppage, boycott, slow-down, picketing, or any other interruption or restriction of work related to the District. Nothing shall impose any obligation on the District to compensate employees for absences resulting from concerted work stoppage.

Employees in the bargaining unit, while acting in the course of their employment, shall not honor any picket line established by the Association or by any other organization when called upon to cross such picket line in the line of duty.

There will be no lockout of members of the bargaining unit by the District during the term of this Agreement.

ARTICLE 22

SEPARABILITY OF PROVISIONS

Such a decision shall not invalidate the entire contract, it being the express intention of all parties hereto that all other provisions not declared invalid shall remain in full force and effect.

Upon written agreement of both parties, the parties agree to enter into negotiations for the sole purpose of attempting to arrive at a mutually satisfactory replacement for such specific provision(s) invalidated.

The District will review the list prior to hiring replacement personnel. For 27 months after the reduction in hours, an employee on the list of reduce-hour-employees shall have first consideration for additional hours of employment in the positions they listed in the notification letter, if qualified or can become qualified within two weeks of on-the-job training and if the scheduling of the additional hours or position does not conflict with the existing assignment. The District will notify the employee at the time other candidates are notified as to what decision was made by the administrator concerning the additional hours sought by the employee in the letter or request.

ARTICLE 24

MEDICAL INSURANCE

After fifteen (15) years of employment with the District, a classified employee retiring under PERS shall be entitled, at their own expense, to pay their own single party insurance premium, with a second party option, at the group rate of active employees, from the date of retirement until the retired employee would be eligible for Medicare.

The preceding procedure shall also apply in complaints filed by the member.
